Parking FAQs

1. **Why do I have to pay for parking?** Transportation services must operate exclusively through student fees. The use of state or tuition revenue for parking is not allowed at GEAR UP U.

2. **Can I pick up my permit or will it be mailed?** Your permit will be mailed to the address you designate when you register—or you may pick up your permit from the GEAR UP U Transportation Office.

3. **What if I forget to display my permit?** All vehicles are required to display a valid GEAR UP U parking permit when parked on university property. Parking citations will be issued to vehicles that don't display a permit.

4. **What if I park over the line in the parking garage?** All vehicles must be parked within the marked boundaries of one parking space.

5. **Does the university have a towing policy?** Vehicles with three or more unpaid citations or fines exceeding $100 will be towed and impounded at the owner's expense until the account is paid in full.

6. **Can I take my bike into my class so it won't be stolen?** Bicycles must be parked in the racks provided around campus.

7. **What if I lose my parking permit?** Lost permits must be reported to the GEAR UP U Transportation Department immediately, and a new permit may be purchased for $45.
