10 Ways Teens Can Educate the Community about Cyberbullying

Scenario: You have been assigned to the Anti-Cyberbullying Committee by your local mayor. He wants you to develop 10 ways teens can educate the community to deter and prevent cyberbullying. List and describe in detail the steps you and your committee are going to take to assist with this problem. On the next page, design a logo that will appear on literature, t-shirts, stickers, etcetera.

| Ten Ways to Educate the Community about Cyberbullying	Who will be the audience?	What is your desired outcome of your efforts?
