

Name _____ Period _____ Date _____

Different Stages of Play

Complete chart below by defining the stages of play and then determine the age at which each type of play occurs. You will write ways parents/caregivers can help a child with physical, cognitive, social or emotional development at each stage of play. Write a summary sentence below.

Stages of Play	Definition	Age at Which This Type of Play Occurs	Ways Adults May Help with Development
Associative Play			
Cooperative Play			
Parallel Play			
Solitary Play			

Summary Sentence: _____
