

## Global Travels Project

**Scenario:** Your team has been accepted into an internship program at the Superior Travel Agency. In order to assist world travelers, it is important to provide your clients with information on their travel destination. If your clients are traveling abroad, it's crucial to provide basic information and resources for a positive travel experience. The manager has requested that your team create an infographic that focuses on global travels which can be utilized at the agency.

As a group, your task is to select a travel destination from the list below. It is important to think of the vital information needed to enhance the vacation experience for the clients. You may select a travel destination not listed below, with the instructor's prior approval.

Travel destinations include:

England	France	Germany	Sweden
Ireland	Scotland	Australia	Algeria
Africa	Greece	Saudi Arabia	Austria
Spain	Portugal	Brazil	Costa Rica
Panama	Mexico	Canada	Greenland
Switzerland	Russia	China	Japan
Taiwan	Italy	Monaco	Cuba
India	Fiji	Norway	Dominican Republic

Your infographic needs to include information on a minimum of six areas listed below:

- |                                      |                                   |
|--------------------------------------|-----------------------------------|
| Currency                             | Passport validity                 |
| Customs                              | Safety and security issues        |
| Destination description              | Sight-seeing or attractions       |
| Entry, exit, and Visa requirements   | Travel and transportation methods |
| Festivals/celebrations               | Vaccination requirements          |
| Health requirements                  |                                   |
| Local laws and special circumstances |                                   |

Poster boards may also be used for the assignment. Project will be presented during class and will be assessed with Rubric for Global Travels Project.
