

## Leadership Roles and Qualities Report

Instructions: Select a state, national or international leader to research. Obtain information about the types of leadership qualities that individual possesses and possibly how those qualities were obtained. Use this handout as a sample of questions to facilitate the research.

Name of leader \_\_\_\_\_

1. What leadership role does/did this person hold?
2. Were these elected roles or community/social roles?
3. What qualities or attributes does/did this leader have that makes/made this person a great leader?
4. How are/were these qualities or attributes shown through this person's leadership role?
5. Who were this person's followers?
6. Where do you suppose this person learned or acquired exhibited leadership qualities?
