

## Protecting Children Online- Notes

---

Distribute graphic organizer so that students may take notes. Teacher will determine what information the students will write on their notes.

A graphic organizer shaped like a smartphone. It features a large rectangular screen at the top and a grid of nine rounded rectangular buttons below, arranged in three rows and three columns. The buttons are labeled with three-letter combinations: ABC, DEF, GHI, JKL, MNO, PQR, STU, VWX, and YZ.
