

Reading Strategy: Understanding the Text

Follow the steps to help you understand the text, ideas or statements.

Step 1 – Reread and/or underline the confusing parts of the text, ideas or statements. (Underline only if using copies, not in textbooks!)

Step 2 – Using the chart below, diagram the relationships between the parts of the text, ideas or statements.

Step 3 – Look up unfamiliar words and define them.

Step 4 – With a partner, talk through the text, ideas or statements, and explain the content.

Step 5 – Reread the text, ideas or statements again. Summarize the information below.
