

# Restaurant Shark Tank Project

---

You and your team have a great idea for a restaurant project but you will need investors to get it going. Brainstorm with your group to create and design a multi-media publication to present to three “investors”, to encourage them to finance in your project.

Project ideas may include:

- Bistro
- Café
- Deli
- Food item
- Kitchen gadget
- Nutritious juices
- Restaurant

Include estimations for the:

- cost of project
- revenues (sales)
- profits

Multi-media publications should include one or more of the following:

- interactive game
- music
- video
