

Rubric for Roles and Responsibilities Across the Lifespan

Task Description: Using the information you obtained from the activity “Family Lifespan Interview,” select one person about whom to create a storyboard. The storyboard will depict the family lifespan, roles and responsibilities the individual has experienced. You may write or illustrate the information.

Criteria	weight	Exceptional	Accomplished	Developing	Unsatisfactory
Organization	50%	<input type="checkbox"/> Logical sequencing <input type="checkbox"/> Original; inventive; creative	<input type="checkbox"/> Somewhat logical sequencing <input type="checkbox"/> Original	<input type="checkbox"/> Sequencing is poorly planned <input type="checkbox"/> Little originality	<input type="checkbox"/> Sequencing is confusing <input type="checkbox"/> Rehash of other people’s ideas
Content	50%	<input type="checkbox"/> Covers topic completely and in depth <input type="checkbox"/> Content is readily understandable	<input type="checkbox"/> Covers topic <input type="checkbox"/> Content is mostly understandable	<input type="checkbox"/> Barely covers topic <input type="checkbox"/> Content is somewhat understandable	<input type="checkbox"/> Does not adequately cover topic <input type="checkbox"/> Content is confusing

Assignment Score _____ + Beyond/Bonus _____ = Final Score _____
