

# Sample Career Portfolio Checklist

A student's Career Portfolio should be updated and maintained by the student throughout their high school career. Students will understand that this personalized portfolio can aid them in their career decision-making process, securing employment, preparing for Career and Technical Student Organization (CTSO) events and entrance into a post-secondary institution of their choice.

Determine what specific items will be required in your course portfolios. Develop course specific portfolio checklists and rubrics to guide students with this project. Reference the alphabetized list below for suggested items that could be included in the portfolio. Other unique items may be added to the list.
