

The Impact of Technology on Family Members

Instructions: Make a list of daily, weekly, and monthly responsibilities of one adult and one young adult family member. Beside each responsibility, write the name of the technology used and how technology makes the task(s) easier.

Adult

List of daily, weekly, or monthly responsibilities	Name of technology device and ways technology makes the task(s) easier
1.	1.
2.	2.
3.	3.
4.	4.
5.	5.

Young Adult

List of daily, weekly, or monthly responsibilities	Name of technology device and ways technology makes the task(s) easier
1.	1.
2.	2.
3.	3.
4.	4.
5.	5.

Conclusion:

1. How has technology changed family responsibilities?
2. What are some ways the adult and young adult might use the time saved from the use of technology?
3. What negative outcomes might result from technological advances?
4. What positive outcomes might result from technological advances?
